A FEW FACTS FOR NEW FRIENDS OF TOC H.

ORIGIN : Talbot House in the War was " Everyman's Club," open to officers and men alike ; it was opened in December, 1915, at Poperinghe, the nearest habitable town behind Ypres. Its founders were Padres Neville Talbot (now Bishop of Pretoria), H. R. Bates, and Philip Clayton (" Tubby "). A " daughter," Little Talbot House, was born in Ypres itself in 1917.

NAME : It was named in memory of Neville's younger brother Gilbert, Lieut., Rifle Brigade, killed at Hooge on July 30, 1915. The name " Toc H " is merely T.H. (Talbot House) pronounced according to the Army signaller's alphabet.

RE-BIRTH : Toc H was started again in London in 1919–1920, by " Tubby " and some survivors of the Ypres salient, on a very modest scale. Two years from the start the tiny experiment in London had been repeated throughout the length of England ; within five years it had gone right round the world. In 1922 the movement was granted a Royal Charter.

OBJECTS : Its first aim was to recapture the War's spirit of *comradeship* in common *service* and to pass it on to the younger generation. *Toc H is not an ex-Service men's society*—it remembers the past but looks to the future. It draws its members from all ranks of society, from all Christian denominations, schools of thought and political parties. It is a " power-house " for social service of every kind, directed in each place by a voluntary *Jobmaster*. Toc H in no way competes with existing societies ; it encourages and trains its members to help them.

ORGANISATION : First a small, tentative *Group :* the Group after a real test of stability, unity and work, may be made a *Branch* (Branches are granted a *Lamp of Maintenance*, which is lit with a simple ceremony at meetings). In certain places a team of members lives together in a *House* (called a " Mark "), the visible embodiment of Talbot House and the centre of effort in the area.

WORK : The voluntary service of Toc H members throughout the world flows in two main streams—(*a*) " *Stretcher-bearing* " work for the sick, the disabled, the blind, the deaf and dumb, the lonely, the " down-and-out," the crippled or neglected child, the boy or man in prison or just out of it ; (*b*) " *Sheep-dog* " work towards boys and younger men—in clubs, camps, classes, Scout troops, Brigade companies, etc.

MEMBERSHIP : All men, from the age of 16 upwards, who are sympathy with the aims and objects, are eligible for membership. Candidates require to fill up a form of application, to be proposed and seconded by members, and to undergo a period of probation varying in length according to circumstances. The minimum annual subscription is 2s. 6d. for " country " members, and 5s. for " town " members (i.e., men living within 5 miles of a Toc H House).

Toc H League of Women Helpers.

There is an auxiliary society for women sharing the same spirit, pledged to the same objects, and organised on very similar lines. The Patroness is H. R. H. the Duchess of York, the President is the Duchess of Devonshire, and the Vice-President is Lady Forster. Information can be obtained from the *Hon. General Secretary*, Miss A. B. S. Macfie, New June, 50, Great Tower Street, E.C.3.

ANNUAL REPORT

DURING the year under review there was an increase at home of 19 Branches and 46 Groups and overseas of 17 Branches and 17 Groups. There are now in the United Kingdom, including the Royal Navy, 130 Branches and 175 Groups, and overseas 25 Branches and 89 Groups, a total of 419 Branches and registered Groups together.

In the *United Kingdom* a marked advance has been in the South of Wales, where a Council has been formed for South Wales and Monmouthshire under the presidency of the Archbishop of Wales, the Earl of Plymouth and the Archdruid, with an Executive under the chairmanship of Sir Sidney Byass, Bart. Major L. H. Higgon has been appointed Area Secretary, the cost of his appointment being met by the Council. There has also been real development in Ireland. A Council, with His Grace the Duke of Abercorn as President, and an Executive Committee for Ireland (Northern Section) has been appointed.

Overseas, Padre Ellison made two visits to Canada, first in the Summer to make an initial survey from the east to the west coast, and later in the autumn to carry on an intensive campaign which has resulted in the foundation of 26 new Groups across the Dominion. Arrangements have been made, as in the case of South Africa, for Padre Gilbert Williams to follow up the work of Padre Ellison by a visit in the Spring of 1928. In South Africa there has been both consolidation and expansion; a House has been opened in Johannesburg.

The *Schools Department* of Toc H has received a great reinforcement by the appointment of Hubert Secretan as Hon. Schools Secretary. The scheme for establishing the School Service Bureau is giving very satisfactory results.

The *Annual Birthday Festival* was held in London this year at the Royal Albert Hall, and a Service of Thanksgiving, by courtesy of the Dean and Chapter, at Westminster Abbey. An overflow service was held in St. Margaret's, Westminster. The Prince of Wales lit 32 Lamps for new Branches at the Royal Albert Hall.

Staff changes have been few. Padre H. Sawbridge, after a short spell at home, returned to the United States, taking with him M. Callis from Manchester. Arthur Lodge, the West Yorkshire Secretary, replaced Callis at Manchester and he and H. C. Miller, the East Yorkshire Secretary, are at present sharing the work in West Yorkshire. Three Association Padres have resigned on taking up livings, namely the Rev. J. Redrobe, the Rev. F. E. Spurway, and the Rev. H. Hawkins. The last has been replaced by the Rev. W. Maddock, late of Durban, S. Africa. Padre Pat Leonard is returning from Australia in the New Year. The Rev. J. Brookes-Davies has resigned his part-time post at Southampton. The Rev. Donald Standfast, with the sanction of the Wesleyan Conference, became a whole-time Padre in September, being specially charged with exploring the possibility of linking the Regnal League, a society mainly Wesleyan, with Toc H. His salary and expenses are paid by a few members and are not shown in the accounts. The number of Honorary Padres at home is 340, of whom 257 belong to the Church of England and allied Churches, 13 are Presbyterian (including Scottish and Irish), and 80 belong to other Churches.

The problem of dealing with the very rapid growth of Toc H and ensuring that it grows in depth as well as in breadth, compelled the Executive to consider very carefully the whole of the *finances* of the Movement. A special appeal to the members themselves was made early in the year to endeavour to contribute a sum of £2,000 towards the previous year's deficit. So far this appeal has been very gallantly responded to. This, however, did not solve the difficulty of further expansion, and it was finally decided that it was imperative to launch a general appeal. His Royal Highness, the Patron, accordingly asked at the Festival for a sum of £250,000 to endow Toc H. This endowment was to cover roughly three heads (*a*) the provision of further full time lay and clerical staff; (*b*) the purchase of new houses; (*c*) a fund from which grants can be made towards special cases where the social service undertaken by members in fulfilment of their pledge of service involves special expenditure. An Appeal Committee was formed under the chairmanship of Lord Forster; Major E. A. Belcher, C.B.E., was appointed Director.

ACCOUNTS

In 1925-26 expenditure exceeded income by £2,627 7s. 3d. As was pointed out, however, the real excess was £4,222 4s. 1d., for the accounts, as presented, included in income the sum of £1,594 16s. 10d. raised by a bazaar in Halifax which was intended to be and has since been applied to paying off the mortgage on Mark XII. This year the total deficit is £2,829 11s. 7d., and the result would have been less unsatisfactory if a total surplus of £779 17s. 0d. on the running of houses and on the London Sports Club in 1925-26 had not been replaced by a loss of £294 14s. 8d. in 1926-27.

The figures of surpluses and losses on the Houses are set out below :—

Surpluses.	£	s.	d.
London	365	5	2
Leicester	106	0	1
Swindon	35	12	5
	506	17	8

Losses.	£	s.	d.
Manchester, Salford and Hulme (after transferring £150 to Branch Accounts)	146	5	7
Southampton, Woolston and Boy's Hostel	159	7	5
Birmingham	48	1	2
Sheffield	56	14	10
Bristol	234	4	3
Hull	86	16	3
Halifax	34	12	11
Newcastle	64	1	3
	830	3	8

The Woolston House has been closed. The control of Mark V and the Boys' Hostel in Southampton has been transferred to a special committee. The Hull House has been transferred to the control of a District Committee. The case of the Bristol House is under special consideration. The finance of Houses almost everywhere requires much greater care. Analysed accounts are being supplied to the Branches concerned.

The Endowment of Chaplaincies' Fund was increased by £459 during the year; £174 were added to the Memorial Rooms Fund. Hostel Properties Fund increased by £11,620. This includes the cost of the new Mark I, a munificent gift from an anonymous donor. It also includes a sum of £3,000 (temporarily invested) given as the first instalment of a new House in Bermondsey. The very generous donor in this case also desires to remain anonymous.

The income of the Anglican Chaplaincy Fund fell from £2,875 to £2,801. The Chaplains' fees were less than last year. Donations not earmarked for any special fund were £3,296 against £3,009. We also received £508 net from the Toc H Builders' scheme, which has grown considerably since the end of this year.

Membership subscriptions, as shown in the accounts, increased from £2,270 to £2,424. The figures given show only the subscriptions of general members received at Headquarters, the subscriptions paid to the Branches with Houses (the only Branches whose transactions are included in the accounts) and the Headquarters share of other Branch and Group subscriptions. The total subscriptions paid by members therefore considerably exceed the figures shown. Contributions from Branches and Groups in response to an appeal made to them in the Spring of 1927 rose from £82 to £1,082. The income from sales of publications rose from £558 to £978. "Proceeds of Bazaars, Concerts, etc.," fell to £166; no large Bazaar was held this year. The other items of income do not call for notice, except the slight fall in receipts under interest on Branch loans, due to the fact that two Branches reduced the amounts of their loans during the year. To compare expenditure with last year, it is necessary to eliminate the loss on hostels and sports club from this year's figures and the item relating to the World Tour from last year. The figures then are, for 1925-26, £14,293; and for 1926-27, £14,400. Allowing for the fact that the cost of the new offices had to be met for a full year in 1926-27 instead of for 8 months as in the previous year, the figures show that the decision of the Central Executive that expenditure must not be allowed to expand until income increases has been carried out.

Of the three measures decided on for the increase of income, two were in operation for about half the year—the Toc H Builders' scheme and the Branch and Group contribution scheme. Both of these continue to be developed. The Endowment Appeal was launched after the end of the year. This is a scheme of an entirely different kind. First, capital is asked for in the Endowment Appeal, and not income. Secondly, the Builders' Scheme and the Branch and Group contribution scheme were required, *and are still required*, to enable Toc H to carry on, paying for the staff which it had in April, 1927. The Endowment Appeal money is being invested to provide for additional staff and for the expansion of Toc H both at home and overseas.

A Note on "Toc H Builders"

The members of Toc H are drawn from all classes, and therefore, on the average, they are not rich men; they are carefully tested, and therefore they are few in number compared with the influence of the movement and the tasks before it. They give what they have—cheerful voluntary work for the community without stint, and such money as they can. But it is beyond their unaided power to lay an adequate financial foundation on which the House of living, personal service—which is Toc H—can be built. Men and women, outside the membership of Toc H but believing in its cause, who are willing to help are being enrolled as "Toc H Builders." The *minimum* scale of their help has been fixed at 1s. per month, 5s. per quarter, or £1 per year. Prospective "Builders" should apply to the Hon. Treasurer of Toc H, 83, Pall Mall, S.W.1.
